Filtre compact

Numéro de commande : **T0058735936**

Filtre compact pour WFE 2S/Zéro Smog 4V, filtre à particules HEPA E 12 selon NE 1822 et 50% de charbons actifs, 50% de Puratex (permanganate de potassium)

Marketing Texte

Long description	Compact filter (HEPA filter H13 + wide band gas filter 50 % active carbon / 50 % Puratex) for WFE 2S, WFE 2Kit1 and WFE 2Kit2
Product lead in textblock above one or several tables 2	For applications where volume extraction is more suitable, e.g. solder baths, hot air soldering, micro solders and gluing work, Weller offers the mobile systems WFE 2S and WFE 4S. The units purify the air at upto 8 workplaces. A wide range of accessory is available for each system.
Product lead in textblock above one or several tables 1	The Weller Zero-Smog Systems put an end to air pollution caused by soldering, adhesives and laser work. In all of these applications fumes or fine particles are released into the work place atmosphere which are hazardous to staff exposed to them. The Weller Zero-Smog Systems" combination of pumps, electronic controls and filters removes this hazard.
Short description	Cartridge Volume Extraction

Packaging information

Shelf pack size (Units per shelf pack)	Single
---	--------

Technical Data

Filter type	Compact filter (HEPA filter H13 + wide band gas filter 50 % active carbon / 50 % Puratex)
Portable	No
Electronic filter control	No
